

X-FORGE

PREFILLED POD

ENGLISH USER MANUAL

Please read the following before use.

PARAMETERS

Product Name: X-FORGE Prefilled Pod
Model Name: X-FORGE
Size: 62*47*20.5mm
E-liquid Capacity: 10ml
Nicotine Content: 120 mg (12mg/ml)
Nicotine Type: Conventional
Freebase Nicotine
Product Type: Prefilled Pod
Pod Material: PCTG
Battery Device Material: Aluminum+PC
Coil: 1.2Ω mesh coil
Battery Capacity: 500mAh
Charging type: Type-C 5V
Output Voltage: 3.7V constant voltage output
Power is not adjustable
ALCOHOL CONTENT: N/A
FOOD ALLERGENS: N/A
PG/VG RATIO: 60/40

E-LIQUID INGREDIENTS:
Propylene Glycol, Vegetable Glycerin,
Flavoring, Conventional Freebase

INSTRUCTIONS

How to Use the X-FORGE Prefilled Pod

1. Use a Type-C cable to charge the device. The blue light will stay on while charging and turn off when full.
2. Auto-draw is activated by inhaling through the mouthpiece. The blue light will glow during use.

Usage to Avoid

1. Do Not Use Non-Rechargeable Batteries:

Only use the built-in rechargeable battery. Avoid using non-rechargeable or modified batteries.

2. Avoid Extreme Conditions: Do not expose the device to extreme temperatures, high humidity, or direct sunlight.

3. Do Not Overcharge: Follow the recommended charging time. Overcharging can damage the battery and reduce its lifespan.

4. Do Not Use Other Chargers: Only use the X-FORGE charging device. Other chargers may not be compatible and could pose safety risks.

5. Avoid Physical Damage: Do not drop or crush the device. Avoid using if the pod or charging device is damaged.

6. Do not use while charging: For your safety, avoid using the X-Forge prefilled pod while it is charging, as this may cause overheating or potential damage to the device. Always wait until the battery is fully charged before use to ensure optimal performance and longevity.

HANDLING AND MAINTENANCE

1. Storage: Store the X-FORGE prefilled pod in a cool, dry place away from direct sunlight and extreme temperatures. Ideally, keep it in its protective case or original packaging. Avoid humid or damp environments.

2. Cleaning: Clean the mouthpiece and charging port with a dry cloth. Avoid using liquids or harsh chemicals. Regularly inspect for e-liquid leakage; ensure the pod is sealed and free from damage.

3. Disposal: Dispose of used pods and accessories according to local electronic waste regulations. Replace the disposable vape when e-liquid is depleted or flavor changes.

4. Usage Guidelines: Do not use the device when the e-liquid indicator is empty or nearly empty, as this can harm the device and affect flavor. If you notice any flavor changes, replace the device to maintain performance. If e-liquid spills, wipe the exterior gently with a dry, clean cloth, avoiding contact with the interior.

5. Emergency Procedures: If e-liquid is swallowed, seek medical advice immediately and provide product information to a healthcare professional. If e-liquid splashes on skin, wash the area thoroughly with soap and water. Contact a doctor if irritation occurs.

INFORMATION ON OPENING, RECHARGING, AND REFILLING

Opening

1. Carefully remove the pod and battery from the packaging, remove silicone from the mouthpiece.

2. Check for any damage, if you find any, do not use the product and contact customer support.

Refilling

1. Product is not refillable.

Disposal and Recycling Information

This symbol (with or without a solid bar) on the device, batteries (included), and/ or the packaging, indicates that the device and its electrical accessories (for example, adapter or cable) and batteries should not be disposed of as household garbage.

INFORMATION ON BATTERY

This device contains batteries that are non-replaceable when the battery is at end of life, the device shall be properly disposed of. Do not use non-rechargeable batteries in place of rechargeable batteries. do not use modified or damaged batteries.

Battery Warning: Instructions to prevent reasonably foreseeable misuse disposal of a battery into fire or a hot oven, or mechanically crushing or cutting of a battery, that can result in an explosion leaving a battery in an extremely high temperature surround in environment that can result in an explosion or the leakage of flammable liquid or gas; a battery subjected to extremely low air pressure that may result in an explosion or the leakage of flammable liquid or gas.

Battery Safety: Avoid exposing batteries to fire, hot surfaces, crushing, or cutting to prevent explosions. Do not leave batteries in high-temperature environments or expose them to low air pressure, as this can lead to leaks or explosions.

WARNING: This product contains nicotine. Nicotine is an addictive chemical

KEEP OUT OF REACH OF CHILDREN.

This product is intended for adult smokers only. It is not recommended for non-smokers, young people under the age of 21 years, pregnant or breastfeeding women, people who are allergic to any of the listed ingredients, those suffering from general ill health, or individuals with a history of cardiovascular disease.

This product contains nicotine, which can increase your heart rate and blood pressure, and may cause nausea, dizziness, or aggravate existing respiratory and cardiovascular conditions.

Possible Side Effects on Usage: Possible undesirable effects for the vapor and their entourage include nausea, dizziness, increased heart rate, cardiovascular complications, and respiratory irritation. These effects can also impact those around the vapor through second-hand exposure. If you experience any adverse reactions, discontinue use and seek medical advice. Please use responsibly.

Regular Maintenance: Regularly check that all components, including the mouthpiece and charging port, are securely attached and functioning properly. Inspect the mouthpiece for cracks or damage; replace if necessary. Regularly check that all components of the X-FORGE device, including the mouthpiece and charging port, are securely attached and have not become loose. Ensure the device is intact and functioning properly before use. If any parts appear loose or damaged, do not use the device. Regularly inspect the X-FORGE device for any signs of e-liquid leakage. Ensure that it is securely sealed and free from damage. If you notice any leakage, discontinue use immediately.

Check the e-cigarette regularly for any signs of damage or cracks. If the e-cigarette appears damaged, discontinue use immediately and replace it to ensure safe usage.

If the e-cigarette were to be dropped, the consumer should check:

- that the elements have not become loose;
- that there is no leakage of e-liquid
- that the mouthpiece is not damaged

- if a visual examination of the product shows no signs of damage, the user may use the equipment after cleaning it and in particular the mouthpiece, using paper or a dry cloth.

FREQUENTLY ASKED QUESTIONS

1. How do I charge the X-FORGE Device?

Connect the device to a power source using a Type-C cable. The blue light will remain on during charging and turn off once the battery is fully charged.

2. How long can the battery and pod last?

The Rechargeable Battery has a validity period of 18 months. X-FORGE has a validity period of 18 months from manufacturing date and 3 months after first use. Replace the pod when it is empty, nearly empty, or if you notice a significant change in flavor. Regular replacement of the pod is essential to ensure optimal performance and safety. Please check the manufacturing date on the product you purchased and do not use it if it has exceeded its validity period.

3. Can I use the X-FORGE Device with other charging devices?

No, it is recommended to use only the X-FORGE device battery to ensure compatibility and safety. Other chargers may not be suitable.

4. How should I dispose of the X-FORGE Device?

Dispose of the pod in accordance with local electronic waste disposal regulations. The device contains non-replaceable batteries and should not be disposed of as regular household trash.

5. What should I do if the device is leaking e-liquid?

If the device is not functioning correctly or the battery is damaged, safely dispose of it at a household recycling center and replace it with a new vape.

X-FORGE

PREFILLED POD

FILIPINO USER MANUAL

Mangyaring basahin ang sumusunod bago gamitin.

PARAMETERS

Product Name: X-FORGE Prefilled Pod
Model Name: X-FORGE
Size: 62*47*20.5mm
E-liquid Capacity: 10ml
Nicotine Content: 120 mg (12mg/ml)
Nicotine Type: Conventional Freebase
Product Type: Prefilled Pod
Pod Material: PCTG
Battery Device Material: Aluminum+PC
Coil: 1.2Ω mesh coil
Battery Capacity: 500mAh
Charging type: Type-C 5V
Output Voltage: 3.7V constant voltage output
Power is not adjustable
ALCOHOL CONTENT: N/A
FOOD ALLERGENS: N/A
PG/VG RATIO: 60/40

E-LIQUID INGREDIENTS:

Propylene Glycol, Vegetable Glycerin, Flavoring, Conventional Freebase

INSTRUKSYON

Paano Gamitin ang X-FORGE Prefilled Pod

- Gamitin ang Type-C cable upang i-charge ang device. Ang asul na ilaw ay maniniliting naka-on habang nag cha-charge at mago-off kapag puno na ang baterya.
- Ang auto-draw ay ma-activate sa pamamagitan ng pag-higop sa mouthpiece. Ang asul na ilaw ay magliliwanag habang ginagamit.

Mga Dapat Iwasan sa Paggamit

1. Huwag gumamit ng Non-Rechargeable na baterya
Gamitin lamang ang naka-built-in na rechargeable battery. Iwasan ang paggamit ng non-rechargeable o modified na mga baterya.

2. Iwasan ang matinding mga kondisyon: Huwag ilantad ang device sa matinding temperatura, mataas na halumigmig, o direktang sikat ng araw.

3. Huwag sobrahan ang pag-charge: Sundin ang inirekomendang oras ng pag-charge. Ang sobrang pag-charge ay maaaring makasira sa baterya at magpaiksi ng buhay nito.

4. Huwag Gumamit ng Ibang Charger: Gamitin lamang ang X-FORGE device. Ang iba pang charger ay maaaring hindi compatible at magdulot ng panganib sa kaligtasan.

5. Iwasan ang Pisikal na Pinsala: Huwag ihulog o durugin ang device. Iwasan ang paggamit kung ang pod o charging device ay nasira.

6. Huwag gamitin habang nagcha-charge:

Para sa iyong kaligtasan, iwasan gamitin ang X-Forge prefilled pod habang ito ay nagcha-charge, dahil maaari itong magdulot ng sobrang init o potensyal na pinsala sa device. Palaging maghintay hanggang sa ganap na ma-charge ang baterya bago gamitin upang matiyak ang pinakamainam na pagganap at mahabang buhay.

PAGHAWAK AT PAGPAPANATILI

1. Storage: Itago ang X-FORGE prefilled pod sa isang malamig at tuyong lugar, malayo sa direktang sikat ng araw at matinding temperatura. Mas mabuti kung ilagay ito sa protective case o orihinal na packaging. Iwasan ang mga mamasa-masang kapaligiran.

2. Cleaning: Linisin ang mouthpiece at charging port gamit ang tuyong tela. Iwasan ang paggamit ng likido o matitinding kemikal. Regular na suriin para sa pagtagas ng e-liquid; siguraduhing nakaseal ang pod at walang pinsala.

IMPORMASYON UKOL SA BATERYA

Ang device na ito ay may mga hindi mapapalitang baterya; itapon ito nang maayos kapag natapos na ang buhay ng baterya. Huwag gumamit ng mga baterya na non-rechargeable bilang pamalit sa rechargeable na baterya. Huwag gumamit ng binago o sirang baterya.

BABALA SA BATERYA: Mag-ingat upang maiwasan ang maling paggamit. Huwag itapon ang mga baterya sa apoy o sa mainit na lugar, at iwasan ang mekanikal na pagdugong o pagputol, dahil maaaring magdulot ito ng pagsabog. Ilayo ang mga baterya sa napakataas o mababang presyon ng hangin upang maiwasan ang mga posibleng pagsabog o pagtagas ng mga likido o gas.

Battery Safety: Iwasan ang paglalantad ng mga baterya sa apoy, mainit na ibabaw, pagdugong, o paggupit upang maiwasan ang pagsabog. Huwag iwanan ang mga baterya sa mataas na temperatura o ilantad ang mga ito sa mababang presyon ng hangin, dahil maaari itong magdulot ng pagtagas o pagsabog.

BABALA: Ang produktong ito ay naglalaman ng nicotine. Ang nicotine ay nakakaadik na kemikal.

BABALA: ILAGAY SA LUGAR NA HINDI ABOT NG MGA BATA.

Ang produktong ito ay para lamang sa mga adultong naninigarilyo. Hindi ito inirerekomenda para sa mga hindi naninigarilyo, kabataan na wala pang 21 taong gulang, mga buntis o nagpapasuso, mga taong may allergy sa alinman sa mga sangkap nito, mga may karamdaman, o mga may kasaysayan ng sakit sa puso o cardiovascular disease.

Ang produktong ito ay naglalaman ng nikotina, na maaaring magdulot ng pagtaas ng tibok ng puso at presyon ng dugo. Maaari rin itong magdulot ng pagkahilo, pagduduwal, o magpalala ng mga umiiral na problema sa paghinga at puso.

Suriin din ang e-cigarette nang regular para sa anumang senyales ng pinsala o bitak. Kung mukhang sira ang e-cigarette, itigil agad ang paggamit at palitan ito upang matiyak ang ligtas na paggamit.

Kung sakali na mahulog ang e-cigarette, dapat suriin ng konsiyumer ang mga sumusunod:

- na walang mga bahagi ng vape na naging maluwag;
- na walang tumatagas na e-liquid;
- na hindi nasira ang mouthpiece o ang dulo ng vape;

3. Disposal: Itapon ang mga ginamit na pods at accessories ayon sa lokal na regulasyon ng electronic waste. Palitan ang disposable vape kapag nauubos na ang e-liquid o nagbago ang lasa.

4. Usage Guidelines: Huwag gamitin ang device kapag ang e-liquid indicator ay walang laman o halos walang laman, dahil maaari itong makasira sa device at makaapekto sa lasa. Kung mapapansin ang anumang pagbabago sa lasa, palitan ang device upang mapanatili ang performance. Kung may spill ng e-liquid, dahan-dahang punasan ang panlabas na bahagi gamit ang tuyo at malinis na tela, iwasan ang pagdapo sa loob.

5. Emergency Procedures: Kung nalunok ang e-liquid, agad na humingi ng medikal na payo at ibigay ang impormasyon ng produkto sa isang propesyonal sa kalusugan. Kung ang e-liquid ay tumalik sa balat, hugasan ang parteng ito nang mabuti gamit ang sabon at tubig. Kumontak ng doktor kung may iritasyon na mangyari. Itapon ang mga ginamit na pods at accessories ayon sa lokal na regulasyon ng electronic waste. Palitan ang disposable vape kapag nauubos na ang e-liquid o nagbago ang lasa.

IMPORMASYON SA PAGBUKAS, PAG-RECHARGE, AT PAG-REFILL

Pagbukas

1. Maingat na tanggalin ang pod at baterya mula sa pakete, at alisin ang silikon mula sa mouthpiece.

2. Suriing mabuti kung may anumang pinsala. Kung makakita ng kahit anong klase ng pinsala, huwag gamitin ang produkto at makipag-ugnayan sa customer support.

- kung sa pagsusuri ng produkto ay walang nakikitang pinsala o sira, maaaring gamitin ang produkto matapos itong linisin, lalo na ang mouthpiece, gamit ang papel o tuyong tela.

MGA KARANIWANG TANONG

1. Paano ko i-charge ang X-FORGE Device?

Ikonecta ang device sa power source gamit lang Type-C cable. Ang asul na ilaw ay mananatiling naka-on habang nagcha-charge at mag-o-off kapag puno na ang baterya.

2. Gaano katagal tumatagal ang baterya at pod?

Ang Rechargeable Battery ay may bisa na 18 buwan. Ang X-FORGE device ay may bisa na 18 buwan mula sa petsa ng paggawa at 3 buwan pagkatapos ng unang paggamit. Palitan ang pod kapag ito ay ubos na, malapit nang maubos, o kung mapansin mo ang makabuluhang pagbabago sa lasa. Ang regular na pagpapalit ng pod ay mahalaga upang masiguro ang pinakamainam na pagganap at kaligtasan. Mangyaring suriin ang petsa ng paggawa sa produktong binili mo at huwag gamitin ito kung lampas na sa takdang panahon ng bisa.

3. Maaari bang gamitin ang X-FORGE device sa iba pang charging devices?

Hindi. Inirerekomenda na gamitin lamang ang X-FORGE device upang matiyak ang compatibility at kaligtasan. Ang iba pang klase ng chargers ay maaaring hindi angkop.

4. Paano ko dapat itapon ang X-FORGE device?

Itapon ang pod alinsunod sa mga lokal na regulasyon para sa electronic waste disposal. Ang device ay naglalaman ng hindi maaaring palitang baterya at hindi dapat itapon bilang regular na basura sa bahay.

Pag-refill

1. Ang produkto ay hindi pwedeng salinan muli.

BATCH NO. : YYYY-MM-DD-XX
MANUFACTURED DATE : YYYY-MM-DD
BEST BY : YYYY-MM-DD

Impormasyon sa Pagtatapon at Pag-recycle

Ang simbolo (may kasama o walang buong linya) sa device, mga baterya (kasama na), at/o ang balot nito ay nagpapahiwatig na ang device at ang mga kagamitang elektrikal nito (halimbawa, adapter o kable) at mga baterya ay hindi

5. Ano ang dapat kong gawin kung ang device ay nag-leak ng e-liquid?

Kung mapansin mong may tagas, agad na itigil ang paggamit.

Tiyakin na ang pod ay maayos na nakaselyo at suriin kung may nakikitang pinsala. Makipag-ugnayan sa customer support para sa tulong o upang humingi ng kapalit kung kinakailangan.
